Homewood Zero Waste Events
At a Glance Guide

Pick a JHU Green Caterer
The JHU Preferred Green Caterer List (see back) consists of pre-approved caterers that have agreed to provide JHU events with only compostable service ware.

Request Compostables
Request compostable or reusable service ware (cups, plates, and utensils) from your caterer.

Request Pitchers
Request that all drinks are served via a pitcher/bubbler (i.e., water in a pitcher vs. bottled water).

Request Bulk
Request that all additional items (such as chips and condiments) are served in bulk rather than individual packets.

Request Event Support
Submit a request for event support at: jhfre.jhu.edu/recycling

We Deliver the Bins
The Recycling Coordinator will schedule the correct quantity and type of bins to be delivered. She/He will only follow up if they have questions.
