Parking Lot Access Blocked by Agora Site Construction

Phase 6
Duration: 13 Days

Pedestrian/Vehicular Path to be Maintained

3/16/22 - 4/1/22

Vehicle Traffic Flow

Access Impacted By Construction

Laydown Area

Narrative:
Phase 6 will connect the Wyman building to the existing man hole. Vehicle access to the rear of the building will not be affected.
Narrative:
Phase 7 will start at the manhole installed in phase 1 and head north towards the 2nd manhole. WT dumpster to be relocated to allow north side access to loading dock.
Narrative: Phase 8 will connect to phase 6 to the new manhole, and then head east. Grounds crews vehicles and equipment needs to be relocated to allow vehicle access lane.
